

PUBLIC LEDGER

FIFTH YEAR.

MAYSVILLE, KY., THURSDAY, NOVEMBER 5, 1896.

ONE CENT.

MAYSVILLE WEATHER.

What We May Expect For the Next Twenty-four Hours.

THE LEDGER'S WEATHER SIGNALS.

White stormer—RAIN.
Blue—RAIN or SNOW.
With black above—WILL WARMER.
With black below—COLDER.
If black's beneath—COLDER.
If black's above—WILL WARMER.
If black's shown—no change we'll see.

The above forecasts are made for a period of thirty-six hours, ending at 9 o'clock to-morrow evening.

LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can give his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

The Continued Calls

Upon the LEDGER for free notices have become so burdensome that we are forced to publish the following terms:

For Notices of Suppers,

excursions, fairs, or other public entertainments where a fee is charged, and for obituary notices, resolutions of respect, etc., THE LEDGER will charge FIVE CENTS A LINE, and hereafter this will be the invariable rule. This, however, is a concession.

Does Not Include

Notices of Lodge meetings or Church services, which must not exceed ten lines.

Avoidance of Disputes.

Misunderstandings are unpleasant. The rate for Business Local in THE LEDGER is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders a five-line local inserted in the paper. "I'll tell you when to take it out," he says to the bookkeeper. But he forgets all about it. The notice runs for two months—42 times—the bill is \$13.25. When he finds it out there is a "kink" and a controversy, followed probably by an icy feeling. Now, to obviate this trouble, no "I'll tell you" notices will be inserted hereafter. Let's have a definite agreement at the outset and the termination will be pleasant all around.

All matter for publication must be handed in before 9 o'clock in the morning of each day.

If you have friends visiting you, or if you are going away on a visit, please drop us a note to that effect.

Mrs. Amanda Foster of Manchester is visiting Mrs. B. Chunn of West Third street.

Mr. W. W. Wyckoff has been in Cincinnati since Tuesday enjoying the election returns.

Mrs. William Newberry and little daughter Vernon have returned home after a week's visit with her mother and friends at Ripley.

Everybody pronounced yesterday's LEDGER a perfect peach. Even our Popocratic friends enjoyed it—at a distance.

Send in your news items by mail and by telephone. THE LEDGER will eschew politics for awhile and enter the local news field.

When a newspaper reporter uses too much red fire in writing up a local occurrence, the proper way to secure a proper correction is to apply to the proper person in a proper manner.

The election returns from this county are now complete, showing that Bryan carried the county by 117 and that Thomas for Congress got a majority of 153 over Judge Pugh. Thirty-nine votes were thrown away on the Prohibition candidate and 31 were wasted on General Palmer.

NINTH DISTRICT.

It's a Close Race Between Messrs. Pugh and Thomas.

It might close

Between Pugh and Thomas.

With the chances in favor of Judge Pugh by about 200.

Returns from several of the counties are so imperfect and varying that it is not worth while to give a tabulated statement until more definite information is at hand.

DON'T WORRY.

The worry ood
Might have lived till now,
If she hadn't lost her breath;
But she thought her hay
Wouldn't last her all day,
So she worried herself to death.

'Tis easy enough to be pleasant
When life moves smoothly along,
But the man worth while
Is the man with a smile
When everything goes dead wrong.

E. R. Jones, for disorderly conduct, was yesterday fined \$3 and costs.

George W. Walker has been appointed Road Overseer, in place of Milton Bramel resigned.

George Ewing was yesterday fined \$25 and costs for breach of the peace, and was sent to Jail.

William Henry Ballard and Miss Anna Swart, both of this county, will be married at Murphysville on the 8th of this month.

The venerable Eli F. Metcalfe of this city, who is 89 years old, voted Tuesday for the seventeenth time for President of the United States, having voted first for Andrew Jackson in 1832.

Bruce and Boone Snapp were arraigned yesterday before Judge Wadsworth, charged with breach of the peace in striking Bruce Newman with a rock, but their cases were continued till Saturday.

If you are looking for a bargain in Gold Watches or any goods in the line of fine Jewelry, Silverware, Clock Bronzes, etc., P. J. Murphy the Jeweler is overstocked. You can buy these goods cheaper now than ever before.

The high winds this morning blew the awning up at the grocery of Mrs. Kate Cook, and when it fell back the pole crashed through one of the large show-windows. Several other awnings that weren't tied down were blown into shreds.

At least one election bet was paid yesterday when George Cook trundled Frank Landgraaf through the principal streets in a wheelbarrow. The procession was accompanied by a dog that kept up an incessant barking at the novelty of the affair.

Business has improved already. THE LEDGER man yesterday met one of the business men of the city on his way to bank, with more great big good-as-gold silver dollars than a mule could back down hill on ice on a slippery day, and this merchant confessed that his receipts were so large that he was going to bank for the second time in one day.

THE U. C. T.'S.

An Organization That Never Forgets Its Members.

The following note was handed THE LEDGER man yesterday afternoon:
GOOD SAMARITAN HOSPITAL,
CINCINNATI, Oct. 23d, 1896.

George F. Brown, Secretary Maysville Council, U. C. T.—Dear Sir: I am in receipt of check for \$300, part of indemnity which I did not expect until I filed claim in full. I appreciate the efforts of the Executive Committee in my behalf. I am getting along nicely and expect to be home in a few days. Respectfully,
JOHN D. MUSE.

Mr. Muse has been a member of Maysville Council since its organization several years ago.

Our reporter has learned that some \$1,500 has been distributed among its members.

The cost is very small, and as there are a number of business men in this city eligible to membership, it is to be hoped that they will make application at once.

Information will gladly be given any person who desires by asking any of its members.

Constitutions can be had by asking the Secretary.

Sometimes it seems to weary woman that she must certainly give up. The simplest and easiest work becomes an almost insurmountable task. Nervousness, sleeplessness and pain harass her and life seems hardly worth the living.

Dr. Pierce's Favorite Prescription was made for her. Dr. Pierce's Golden Medical Discovery was made for her. The former is for her distinctly feminine, the other for her general system. Together they supply a scientific and successful course of treatment. The "Favorite Prescription" restores healthy, regular action to the organs distinctly feminine. It forces out all impurities, strengthens the tissues, allays inflammation. The "Golden Medical Discovery" makes appetite, helps digestion, promotes assimilation, fills out the hollows in the cheeks and neck with good solid flesh and brings back the girl's glow of childhood.

Send 21 cents in one-cent stamps to World's Dispensary Medical Association, Buffalo, N. Y., and receive Dr. Pierce's 1896 page COMMON SENSE MEDICAL ADVICE, illustrated.

Fresh Bulk and Can Oysters received daily at Martin Bros.

Colorado women, appreciative of their first opportunity to vote for President, were among the first at the polls.

Through the generous patronage of those anxious to hear the good news—as well as those who heard the bad news—on Tuesday night, the Managers of Washington Opera-house turned over \$100 into the Fire Company's treasury.

A dainty dish to serve at a luncheon is lemon toast. Take the yolks of three eggs, beat them well and stir them into a breakfast cup of milk, cut some stale bread in slices and soak them for a minute in the milk and eggs, then fry to a delicate brown in boiling butter; squeeze over a little lemon juice, add sifted sugar and serve very hot.

County Clerk Stein's office at Covington was broken into and the stencils to be used at the Republican precincts stolen.

If you have an item of news, please call up THE LEDGER, Telephone 33, and send it in.

The oldest voter in Chicago, who has seen ninety-six summers and who had always before been a Democrat, voted for McKinley.

An Episcopal Bishop of Dublin dropped dead while going for a doctor for his sick wife, who was herself shortly after found dead in bed.

There are now more than 90 Telephones in use in the city, and the number is increasing daily. The service is not only good, but it is cheap.

NOTHING NEW!

Several Foolish Free-Silver Grapevines.

"OUR FLAG IS STILL THERE."

There is positively no change in the National situation.

McKinley is elected; and that's all there is to that.

The Popocrats—at least that portion of them that never find a thing out until it is old as the eggs they threw at John G. Carlisle—have been "swallowing" a few grapevine telegrams from Cincinnati that claim Bryan's election.

We understand these "grapevines" are based on no better authority than Allen O. Myers.

The situation in Kentucky is unchanged, the McKinleyites claiming the state with certainty, and the Bryanites hoping that something may turn up to give it to them.

In this District the race is very close between Pugh and Thomas.

Mr. Thomas himself figures Judge Pugh's majority at 174.

VERY HANDSOME.

The Christian Church Now Presents An Attractive Appearance.

During the past summer the Christian Church has received a thorough overhauling and has been improved and beautified in many respects. The work will be completed this week, and the auditorium will be reopened for public worship Sunday.

The most noticeable improvement has been made in the auditorium. An elegant steel ceiling of very handsome design has been put on, pretty windows of cathedral glass substituted for the old ones, the choir platform enlarged, and the whole of the interior finished in beautiful colors by the painters and frescoers, which, with an elegant new carpet, purchased by the ladies of the Church, makes a complete change in the appearance of the room.

In addition to the above, the Chapel was refrescoed and painted, and the rooms over the Chapel painted and repaired. The ladies have fitted up cosy parlors in these upper rooms, the entrance to the rooms having been changed so as to lead up from the Chapel.

The steps were also relaid, and a substantial concrete pavement put down in front of the Church and also extending along Cherry street to the entrance of the Chapel.

It is the desire of the Pastor that every member of the Church be present at the reopening of the auditorium next Sunday. All are urged to attend. The public is cordially invited.

A protracted meeting begins tonight in the Chapel, and the services will be continued next week in the auditorium. All cordially invited to these services.

The design for the new ceiling was prepared by Maysville's young architect, Mr. Reed Chunn, and it is very highly complimented by all who have seen it. The fact that the plan was commended afterwards by the leading architect in Cincinnati is also a very flattering compliment to Mr. Chunn.

Mr. Jacob Wormald was the contractor for the alterations and improvements in the interior, except the frescoing and painting, which was done under the supervision of Mr. John Carnahan. The handsome design, as well as the delicate coloring of the decorations, is greatly admired by all.

If your children are subject to croup watch for the first symptom of the disease—hoarseness. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse it will prevent the attack. Even after the croupy cough has appeared the attack can always be prevented by giving this remedy. It is also invaluable for colds and whooping cough. For sale by J. James Wood, Druggist.

How Papa Said Grace.

Buffalo Courier.
"At our house the other night we had a Methodist Minister to tea," said a friend. "The domestic said grace, and when he ceased asking the blessing the 4 year-old daughter of the hostess, who sat opposite the Minister, looked up and said: 'That's not the kind of grace my Papa says.' " "No? What kind of grace does your Papa say?" asked the Minister. "Why, he came home last night and when he sat down to the table he just said, Good God, what a supper," was the reply.

Honest John.

Philadelphia American.
"You know old John Goodner?" "Yes." "Never called anything but 'Honest John' for forty years." "Um." "County Treasurer for twenty-eight years and guardian for half the orphans in the county? Trusted by everybody." "Yep." "Dead three weeks and experts have gone over his books." "Well?" "They found that he was honest in every way."
